

Grant Union Investment Guide

Welcome to Grant Union, the world's premier investment and trading platform. We are committed to providing you with a secure, transparent, and profitable investment experience.

About Grant Union

Grant Union is a professional trading company specializing in cryptocurrency trading, forex trading, gold, and real estate investments. Our expert team of professional traders works diligently to maximize returns on your Bitcoin investments.

INVESTMENT PLANS & RETURNS:

The company offers daily commission based on your investment plan. With a minimum deposit of just \$100, you can start earning. After your investment period, you can choose to withdraw both your capital and earnings, or reinvest for continued growth.

Our Investment Plans:

- 3-Day Plan: 3% daily commission
- 7-Day Plan: 3% daily commission
- 12-Day Plan: 3.5% daily commission
- 15-Day Plan: 4% daily commission
- 3-Month Plan: 4% daily commission
- 6-Month Plan: 5% daily commission

Example: If you invest \$100 in the 3-day plan at 3% daily, after 3 days you'll earn \$9.00. You can then choose to withdraw your capital and earnings or reinvest.

REFERRAL COMMISSION:

Grant Union offers an unlimited 10% referral commission to all investors! You earn 10% of every deposit made by anyone who registers using your referral link.

HOW IT WORKS:

When you invest with Grant Union, our professional team of traders trades your Bitcoin for the duration of your chosen plan (e.g., 3 days). After the investment period, your capital and earnings are transferred to your back office, where you can choose to withdraw or reinvest.

PAYMENT METHODS:

Grant Union uses Bitcoin and USDT for all transactions on the platform, ensuring fast, secure, and global accessibility.

WITHDRAWAL PROCESS:

Withdrawals are quick and efficient. The process takes only a few minutes, and at most,

the company takes approximately 24 hours to approve any transaction.

How to Make a Deposit

1. Log in to your Grant Union account.
2. Navigate to the 'Deposit' section.
3. Select your preferred cryptocurrency (Bitcoin, Ethereum, or USDT).
4. Copy the wallet address provided or scan the QR code.
5. Send the exact amount you wish to invest from your crypto wallet.
6. Your deposit will be credited automatically after network confirmation.
